

Or Tepler, 37 years old, fresh mother to twins, known professionally as Orka - is a musician, lead singer of two bands: ForestTT and OROT.

Orka is one of the leaders of the phenomenon community of Singing Circles in Israel - which these days is becoming a huge global music Movement.

She is a facilitator of small and large Singing Circles and a leader of women Circles while she leads an agenda of feminine empowerment.

Orka was invited to speak and sing on TEDX Tel Aviv event opening for Shimon Peres's Talk .

Orka has traveled extensively around the world and has lived for long periods of time in England, China, Germany, Costa Rica and India.

Orka is the process of launching her solo project with a debut EP produced by Nadav Dagon, along with a strong message and deep intentions for global healing and transformation.

This campaign aims to place ORKA as the global female leader she is, and her music as border breaking conscious music touching pop and mainstream fans.
